

20# Whole Kernel Corn

1. General Requirements:

The product shall be manufactured in accordance with current manufacturing practice 21 CFR, Part #110 and in compliance with all provisions of the Federal Food, Drug, and Cosmetic Act and Fair Packaging & Labeling Act. Additionally, the finished product and packaging shall conform to all applicable State and Local regulations.

2. Product Description:

Pack Style- The product shall be properly processed and IQF frozen so that the product is in a free- flowing state. The product shall meet all requirements for USDA standards for Grade A.

Prerequisite Quality Factors- The following prerequisite quality factors must be met whenever the product is graded: (1) Normal flavor and odor (2) Similar varietal characteristics

<u>Scoring Requirements-</u>	Quality Factors	FSS Minimum	USDA Minimum
	Color	9	9
	Absence of Defects	37	36
	Character	46	45
	Total	92	90

Color- The product shall possess a practically uniform color typical of tender sweet corn. In addition, the color shall be bright and practically free from “off variety” kernels.

Defects: The product shall be practically free from defects within the following limits per average 30- ounce sample.

Husk- ½ sq. inch

Crushed, Ragged Kernels or loose skins- 7% by count

Damaged Kernels- 5 units

Discolored Kernels- 3 units

Pulled Kernels- 5 units

Corn Silk- 8 inches

HEVM- 2 pieces

Character- Kernels shall be in the milk stage of maturity and the pericarp shall be tender after cooking.

3. Shelf Life and Storage:

Product shall be stored at temperatures not greater than 0 degrees Fahrenheit. Shelf life of product shall be 18 months when properly stored.

4. Packaging Information:

All packaging and final proofs are subject to the review and approval of Food Service Systems Quality Assurance . Food Service Systems product shall be packaged to meet current Food Service System graphic standards as provided by the Quality Assurance Department. Each package shall be coded with the FSS Foodservice Production Coding System, which will indicate the Julian date of pack, period code, and plant number that produced the product. FSS requests, wherever possible, that supplier registers all Garden Fresh branded labels as Kosher. Supplier shall forward all renewed Kosher certificated to FSS's Quality Assurance Department on a yearly basis.

20 # Whole Kernel Corn

Pack Size: 20#

Case Cube: 0.8
16 x 11 x 8

Case Weight:
Net Weight: 20lbs
Gross Weight: 21.5lbs

Case per Pallet: 88 cases
TI x HI 8 x 11

Ingredients: Whole Kernel Corn

Country of Origin: Product of USA

Packaging: Corrugated Case w/ Poly Bag

SFS or National Foods
